Council Meeting, March 18, 1963.

R.C.M.P. Rental Agreement The rental agreement with the R.C.M.P. was renewed for one year, with the option to cancel under certain conditions.

School Board Offices A plan was shown to Council to expand the Town Hall to include a special building to be used by the school boards. The question was tabled until after the school boards had met with Council.

Civic Employees Association Some new clauses have to be added to the agreement between the Town and The Civic Employees Assn. regarding shift work, weekend pay and annual holidays, before this agreement can be passed. Council tabled this

matter to their next meeting.

Re-Zoning Agricultural Land Due to the fact the Edmonton & District Planning Commission has agreed to change the agricultural land on the west side of Highway #2, opposite Jasper Auto Parts, into general urban area, Councillor Stewart moved that the town solicitors should take initiative steps to oppose this decision of the Commission, and if necessary, to appeal against this re-zoning.

Apartment Blocks in Row Housing Area of Grandin Park Application for building those apartments, as well as a petition opposing them, was referred back to the sub committee of the Technical Advisory Committee.

Joint Meetings of School Boards A letter from the Separate School Board stated that the combined meeting between the Public and Separate School Boards did not bring any results regarding the school site problem in Grandin Park (west side of Grovenor Blvd.), but it did bring better understanding of each other's problems. It was mentioned that the Public School Board has already passed an application to the Department of Public Works for permission to use this land

for building a school. This letter had to be passed to the Public Works Department, because the land under discussion is Crown Land. A motion of Councillor Stewart asked Mr. Armstrong, Secretary Treasurer of the Separate School Board to furnish the Council with a copy of an agreement between the Town of St. Albert and the Protestant Separate School Board regarding this Crown Land.

Dog Catcher Council spent a long time discussing the Dog By-Law. To enforce such a by-law, you need a dog catcher, and none of the civic employees is interested in such a job. It was moved by Councillor Powell that the Town advertise

for a dog catcher to be paid on a flat rate.

Interim Development By-Law The third and final reading for this by-law was passed.

Traffic By-Law This lengthy by-law, prepared by Councillor Stewart and Cpl. Sayko, had its first and second reading and will have the third and final reading next meeting. Due to the fact that the third reading couldn't take place, the "Protection to Persons and Property" by-law was tabled till next Council Meeting.

Consensus By-Law #12/63 This by-law received the first, second and third (final) reading.

Decreased Power Rates A letter from Calgary Power stated that as of February 1963, there would be a special decrease in rates for industrial, school and business power users, and also a slight decrease for domestic users.

Council Meetings Twice Per Month How often should Council meet per month came under discussion. Council didn't feel that at the present they could afford to change from four meetings to two meetings per month, since at present they last till 11 or 12 midnight. One of the Councillors stated that as soon as the Council Meetings ended at 10:15 p.m., a twice per month meeting could be considered.

POLITICAL RALLY

The St. Albert and District Chamber of Commerce, with the help of the St. Albert Junior Chamber of Commerce, will sponsor a political rally, consisting of the candidates for Edmonton West as guest speakers. It will be held in the St. Albert Community Hall at 8 p.m. on Tuesday, March 26th.

Speakers will be the Hon. Marcel Lambert Progressive Conservative, Harper Prouse, Liberal, Orvis Kennedy, Social Credit and John Motyle, N.D.P.

Political Rally continued from page 1

The purpose of this meeting will be to give all the voters of St. Albert and District a chance to hear their candidate speak.

The speakers will be limited to a 15 minute period, with a 5 minute question session after each candidate has spoken. Everybody is welcome.

Dick McGee, President,
St. Albert Chamber of Commerce.

PUBL. SCHOOL ANNUAL MEETING

Mr. Lee, the chairman of St. Albert School District No. 3, told the ratepayers at the Annual Meeting, held in the high school auditorium on March 6th, that the student population of the district had practically doubled in number in the past four years, from 407 in 1958 to 780 in 1962. The teaching staff has also increased, to 36.

It is unfortunate that the religious personnel is presently reduced to two members of the Grey Nun Order. Efforts are being made to endeavour to increase this number. Mr. Lee took the opportunity to publicly thank the Sisters for the wonderful contribution which has been made to this community in the field of education.

He advised the residents of Grandin Park subdivision that every effort was being made to have a new school constructed in

this area for the next school year. Mr. Maloney, the Supervising Principal, gave a short resume on the academic features of the system and the methods being undertaken to improve the school program. The Superintendent, Mr. E. G. McDonald, offered his congratulations to the board the principals and the staff for the very good progress shown in the school system in general. Special emphasis was placed on the language program. This will be more noticeable as the program develops.

The auditor's report showed that the district received close to \$300,000. during the year from the various sources. The largest amount, of course, coming from the Foundation Program Fund which contributed \$258,303. The operational expense was shown to be:

Administration	\$10,000.
Instruct. Aids and Salaries	200,000.
Plant Operation and Mainten.	40,000.
Debenture retirement and int.	40,000.

While the net result is a deficit of \$4,000., it is very commendable showing for a school board to be able to operate at this close margin when you realize the rapid and unpredictable changes which take place in the population of St. Albert. The net cost per student was under \$50.00 for the year, a reduction of some \$25.00 over 1961.

SEP. SCHOOL ANNUAL MEETING

On Thursday, March 14th at the Sir George Simpson School, Mr. Bill Penrose was ap-

pointed as chairman for the St. Albert Separate School District Annual Meeting. Mr. Ron Harvey, chairman of the board, opened the meeting with a general welcome to all the Separate School Supporters and followed with a report.

Here we are again at our annual meeting and this is the fifth one we have had. You have probably examined the annual report of the auditor and you will see we have a deficit for our 1962 operation in the amount of \$10,312.00. We are a young district and we do have certain expenses such as equipping a library, also we had to buy a lot of sports equipment and this is quite expensive. Last year we spent quite a considerable amount of money on text books and supplies as well as the items already mentioned. This year we are allocating an allowance on a per pupil basis. We feel that in this manner we will be able to effect certain economies.

In September 1961 we opened school with approximately 496 students and in September 1962 we opened school with approximately 750, as of today's date we have approximately 820 students. We are faced with an ever increasing student population and our estimate for September 1963 is 1050 students.

We submitted a request for a Certificate of Need to the School Buildings Board and they granted us a Certificate of Need for a Junior Senior High School of 16

classrooms. The total cost for the 20 acres was just over \$53,000.00 and whilst this may appear high, we feel that it is quite reasonable.

The Town has now allocated us 10 acres in Grandin Park for a further elementary school. We also have a 10 acre site available in Neighbourhood 4 for a future elementary school.

It is not without some regret we have to advise that Mr. Petherbridge, our Supervising Principal, has been granted a two year leave of absence to attend university. Mr. Dressler will be returning to our district in September after a three years leave of absence.

At the end of January we had a student population of 796. We had 14 rooms in operation at the Sir George Simpson School with 382 pupils. We had 14 rooms in operation at the Sir Alexander Mackenzie with 357 pupils, one room at Mission Park with 17 pupils and two rooms in operation at Sturgeon Heights with a total of 40 pupils.

In September 1963, we will appoint a full time superintendent for our district, as we feel that this is absolutely necessary to provide a proper education for the children. We are hopeful that we can secure a first class man to fill the position and so benefit all the children in our district.

During the general discussion following this report, different interesting items were brought forward.

Development of Sturgeon Heights It was asked why the development of Sturgeon Heights surrounding the new high school will not go further for another three years, leaving the high school "away off in the desert". Mr. Harry Armstrong, Secretary Treasurer of the Board, stated in regards to this, "Those of us who attended the annual meeting of the Town will recall that Council gave their assurance that all interested parties would be afforded the opportunity to present a brief to Council, at a public hearing, before the proposed staging development was adopted by Council. Since these proposals indicate that development in the next five years would go in a northerly direction, instead of eastward, the Separate School Board was naturally concerned. As we know, the Separate School Board has placed over one million dollars into school buildings on the east side of town in accordance with previous town planning.

It was natural that the Separate Board should write the following letter to the Town Council on March 5th:

Re: Proposed Staging Development

Dear Sirs,

We have on hand a copy of the Proposed Staging Development 1963-1969. Our Board requests an opportunity to present a brief to Council on this matter before it is finally approved by Council. Perhaps you would be good enough to give us at least two weeks notice of such meeting.

Your assistance in this matter will be appreciated. Yours truly

On March 13th, the Town wrote the following reply to the School Board:

Dear Sirs,

We hereby acknowledge your letter of March 5th, 1963, in regard to the above, which was duly presented to Council at its Meeting of March 11th, 1963, for consideration.

Please be advised that it is the opinion of the Council that this matter is not one of direct concern of the School Board at this time. We will, however, be pleased to review the situation as to school sites after such development is finalized.

Yours very truly,

More Library Books One of the teachers, Mrs. Herron, complained that the library books were insufficient for a good education of the higher grade students. She urged the Board, after unanimous support from the ratepayers present, to take steps to remedy this situation as soon as possible. The Board promised to take up this serious matter immediately.

Former Principal Returns Mr. Dressler, former principal of Sir Alexander Mackenzie School will be back in September. Mr. Harvey stated, after a request from one of the ratepayers, that the Board hasn't decided up to now, in what function Mr. Dressler will serve on the staff.

Separate School Annual Meeting *continued from page 3*

Combined School Board Meetings It was
mentioned that the Public and Separate
School Boards will have in the future,
combined meetings every three months, to
establish a closer contact, with more
understanding for each other's problems.
It was also mentioned that the Protestant
School Board will have closer contact
with the Town of St. Albert.

Capital Punishment Mr. & Mrs. Peter Hem-
ingway were very much concerned regarding
capital punishment in the lower grades.
They made a motion, which was later tab-
led, that the Board study capital punish-
ment in Grades 1 and 2.
At midnight the meeting adjourned.

DEPARTMENT OF PUBLIC WORKS OF CANADA TENDERS

Sealed Tenders addressed to the undersigned and marked as to contents, will be received in the office of the Regional Director until 11:30 a.m., (M.S.T.) March 29, 1963, for "Additions and Alterations - Post Office Building, St. Albert, Alberta".

Specifications and forms of tender can be obtained through the office of the Regional Director, Department of Public Works of Canada, 10225 - 100 Avenue, Edmonton, Alberta and can be seen at the Post Office at St. Albert as well as the Edmonton Builders Exchange, Edmonton, Alberta.

Tenders must be submitted on the printed forms supplied by the Department and in accordance with the conditions set forth therein.

The lowest or any tender not necessarily accepted.

*R. G. McFarland,
Regional Director.*

*Department of Public Works, Canada,
Edmonton, Alberta - March 12, 1963.*

TOWN OF ST. ALBERT PROPOSED STAGING OF DEVELOPMENT

The Council of the Town of St. Albert will cause a Public Hearing to be held in the Town Hall, St. Albert, on Thursday, April 4th, 1963, at 8:00 p.m., at which objections to the Proposed Staging of Development may be made. Written submissions will be required, addressed to the Secretary-Treasurer, to be received not later than 5:30 p.m. on Monday, April 1st, 1963. Submissions will be received from Land Owners or their Accredited Agents, who own land for subdivision and whose land is encompassed by the Proposed Staging of Development of the Town of St. Albert.

Submissions will be heard consecutively in the order received, the Land Owner or Accredited Agent to be present to make such submission at the time of the Hearing, and present same orally to the Council duly assembled.

*W. J. Veress,
Mayor, Town of St. Albert.*

Copies of the Proposed Staging of Development of the Town of St. Albert may be obtained from the Town Hall, St. Albert, at the price of \$3.00 per copy.

TOWN OF ST. ALBERT TENDER - CONTROL OF DOGS

Tenders will be received at the Office of the undersigned until 11 a.m., Thursday, March 28, 1963, from persons interested in providing dog control in the Town of St. Albert. A schedule of provisions to be enforced together with other information may be obtained from the Town Engineer between the hours of 9 a.m. and 12 noon, Monday through Friday. The lowest or any Tender will not necessarily be accepted.

*S. L. Billings, Secretary Treasurer,
Town of St. Albert.*

ST. ALBERT PUBLIC LIBRARY

WANTED - 1,000 new adult members

WANTED - 1,000 new juvenile and children members

COST - no registration fee

Your Library has approximately 4,000 titles which are waiting for borrowers. An order for 600 new titles is presently being sent to the Distributor.

Your Library is supported financially by a per capita grant of 75¢ from the Town and a per capita grant of 35¢ from the Provincial Government. Books, equipment, Library rental and Librarian costs are paid from these finances.

Library Hours are: Tuesday 4 to 6 p.m.

Thursday 7 to 9 p.m.

Saturday 2 to 5 p.m.

Your Library Board hope that out of a population of over 6,000 people, we can obtain 3,000 borrowers. We invite you to join!

----- GOOD NEWS FOR YOU -----

Dear Friends and Patrons,

For four years now, the Manager and Staff of Belley Building Supplies and Hardware, have served the Community of St. Albert. Have you had the opportunity to benefit from the service devotion they bring to their work? T o - D a y , after 4 years of progress and trial experiments to discover better means to serve the public, Belley Building Supplies and Hardware have evolved new services to serve you. A BUDGET AND CREDIT PLAN has been developed to give every household budget an honest chance to buy whatever the household may need, or to improve a house, a garage, or even a lot. (Did you know that we dig postholes mechanically at no extra cost, for those who buy fence and fence posts at our store?). Since our opening in the spring of 1959, we have had various tools that we rent for those jobs where buying the tools would be of no profit to the householder or to the contractor. Lawn Rollers, Lawn Seeders, Wheelbarrows, Portable Saws, Hand Drills, Tackers and many more. Since this service has proved fairly popular with our patrons, we are now proud to announce a.....

FULL LINE OF TOOLS FOR RENT TO OUR PATRONS

Lastly, may we call your attention to our stock of H a n d w a r e and B u i l d i n g S u p p l i e s. What we do not stock however, we can usually deliver after a one day waiting period, unless none can be found in Edmonton. So, if you have waited till Spring to start those household changes or repairs, or if you wish to build a fence, or insulate your garage, or build that rumpus room that would have come in so handy during the winter, c o m e and s e e us. We will much obliged to discuss business with you. Meanwhile, if you just want to drop by our Store and have a look at our stock.

BRING THIS LETTER WITH YOU, AND IT WILL BE WORTH

TWO DOLLARS

ON ANY TEN DOLLAR PAINT PURCHASE,

AND

ONE DOLLAR

ON ANY TEN DOLLAR HARDWARE PURCHASE THAT MAY SUIT YOU.

**RENT
